

2016

FINANCIAL POLICY

WE at Texas Children's Pediatrics (TCP) are committed to providing you with quality care, and we are pleased to discuss our professional fees with you at any time.

TO assist us in establishing your TCP financial account, please:

- Supply all necessary information for the accurate billing of your claim, including your insurance card, employer information and demographic information.
Satisfy all insurance co-payments, deductibles and non-covered services on the day services are rendered.
Provide your insurance company and TCP with any additional information requested to complete the processing of claims filed on your behalf.

UNACCOMPANIED MINORS

Minor must have an authorization for medical treatment signed by his/her parent/guardian and is responsible for providing current insurance information for self.

REGARDING DIVORCE:

TCP does not get involved in disputes between divorced parents regarding financial responsibility for their child's medical expenses. By signing as guarantor below, you agree to be financially responsible for the care we provide to your child, regardless of whether a divorce decree or other arrangement places that obligation on your former spouse.

REGARDING INSURANCE

Indemnity/Fee for Service: We require full payment at the time of service. We will supply you with a copy of your itemized statement so that you can file for reimbursement from your insurance company.

Insurance is a contract between you and your company. We are not a party to your contract. We will not become involved in disputes between you and your insurance company regarding deductibles, non-covered charges, co-insurance, secondary insurance, coordination of benefits, pre-existing conditions, or "reasonable and customary" charges other than to supply the factual information as necessary.

CONTRACTED MANAGED CARE PLANS (HMO, PPO, POS, EPO)

Each time you make an appointment with a TCP physician, it is your responsibility to make sure he/she is currently under contract with your managed care plan. Verification of your coverage and benefits may be required. Often this verification requires us to share the reason for your visit with your managed care plan. Please plan to show your current card at each visit.

If you are referred to a specialist or decide you need a specialist, you may be required by your managed care plan to call your Primary Care Physician in order to obtain an insurance referral. It is your responsibility to keep track of the expiration dates and for giving your doctor's office a minimum of 48-hours' notice before being seen by a specialist.

- As a service to our patients, Texas Children's—or a third party with whom Texas Children's contracts—provides courtesy appointment reminder calls/texts and possibly other important calls regarding financial obligations and/or healthcare related notifications such as well-check reminders and vaccine reminders.
I have read and understand that I am personally responsible for payment on this account.
In the event my insurance company deems a service to be "non-covered" I understand that I am personally responsible for payment.
Medicaid: I do [] or I do not [] currently have Medicaid Insurance.
Assignment: I hereby authorize payment directly to TCP or my Physician. Any changes in this authorization must be received in writing within 30 days of the effective date.
I agree to the release of any and all medical information, including HIV test results, and financial information necessary to process this and any future claims to my insurer or payer of health benefits, as I may designate that person or entity from time to time, for an indefinite period or until I submit a written revocation of this release.
I acknowledge and consent to TCP providers' participation in shared savings programs with one or more managed care plans.

Any changes to this authorization must be received in writing within thirty days of effective date.
